*Heb 13:8 says, Jesus Christ the same yesterday, and to day, and for ever.*

*Dear Praying Friends,*

*Greetings in the name of our Saviour, the Lord Jesus Christ. I'm glad to be writing this letter from New York state rather than Ohio. That means we are back on the road again! I'm not sure for how long, as things are changing state to state continuously. These days it seems like the only things that aren't changing is the Lord and the King James Bible.*

*We left home early in June heading towards New England with hopes of traveling without any problems since Ohio's "numbers" were relatively low. About three weeks into this tour, NY Governor Cuomo added several states to his mandatory quarantine list. Ohio wasn't on it, praise the Lord. I preached meetings in Tiffin, OH, Martville, NY, and Gloversville, NY, then proceeded east to Maine, even as Cuomo added more states to his list. Ohio was spared again. Glory!*

*In two separate revival meetings in Maine, we saw God give the "increase." In both cases, prayers had been fervently made, and the Word of God had been faithfully sown and watered! It's a great joy to witness it all come together as the "lights come on" when a person receives the Lord Jesus Christ as their personal Saviour and Lord.*

*For a while I had hopes of coming back into New York state from the east, preach the four revivals we have scheduled here, then sneak down into rural Pennsylvania for a meeting in Eldred. From there we have a meeting in Wooster, OH, on our way home for a week and a half. That's still the plan, but now with the added excitement of the possibility of being stopped, questioned, and quarantined for fourteen days because, you guessed it, Ohio finally made Cuomo's list!*

*Through the years, I've referred to the Rochester/Syracuse region as "upstate New York" as opposed to New York City, but I now officially stand corrected. That would be western New York. We recently finished a meeting in a part of the state we'd never been to, a section of the state above the Adirondacks, 5 miles from the Quebec border! God met with us through the week and two precious souls asked Jesus Christ for the gift of eternal life. One young man was twenty years old and another not so young gentleman was seventy-one! Better-late-than-never couldn't have been more applicable.*

*Thank you for your prayers and support of Susan and me. We do appreciate it. In fact, during the three months of no meetings due to lockdowns, it's what got us through financially. Please remember to say a prayer concerning my petition for a Presidential Pardon.*

*Awaiting the Shout!*

And our Saviour Jesus Christ...*
