For we are labourers together with God:... I Cor 3:9

December 2021

Luk 9:62 And Jesus said unto him,

No man, having put his hand to the plough, and looking back, is fit for the kingdom of God.

Dear praying friends,

Greetings in the name of the Lord Jesus Christ. Under the picture window of my home near Dayton, Ohio, is a plow. A genuine John Deere, walk-behind, 2-bottom plow. I found it at antique/junk, shop in Centerville, Iowa several years ago. It's the last thing I see when we pull out. It reminds me to stay faithful and focused.

They say time flies when you're having fun. We must be, because we're closing fast on the end of the year, and the last four months have literally flown by. We hit the road last August, preaching meetings in Missouri, and Colorado before rolling farther west. After seven weeks in California, with six revivals, street preaching, and several saved, it's safe to say we have been having fun. Four souls trusted Christ at a church in Las Vegas. Yes, Las Vegas, Nevada! Some people want nothing to do with California or Las Vegas, but I'm happy to tell you God doesn't feel that way. He met with us in a very real way over and over.

We made it back to Ohio (also known as "God's Country") in November, just in time for Thanksgiving. Then we preached meetings in southern Ohio and Kentucky in December. It's been good to spend time with family and friends, but especially with our newest grandchild, Braxton West. He was born in August just before we left. Man, they sure grow a lot in 3 months!

In 2020 we saw more meetings canceled because of Covid than we experienced the year I had 2 joint replacement surgeries. 2021's cancellations were due to Susan & me getting Covid ourselves. You can tell yourself it's just a cold, or a government conspiracy if you want to, but we were SICK! Sicker than either of us have ever been. One night laying in bed I told her, "It's a good thing we like each other." I'd hate to think of what it would be like going through that with someone that was irritating already! I must mention that the faithful support of some churches and friends got us through 2020 & 2021, in spite of our cancellations. Thank you!

In all, the Lord opened the door for me to preach in 38 churches in 2021, 7 for the first time! Susan spoke to the ladies 14 times, and there were 20 professions of faith we are aware of. We are humbled to be able to get in on a small part of something the Lord is doing.

Thank you for your prayers, encouragement, friendship, and generosity.
