*July 2018*

*Dear Friends,*

*Greetings in the name of our Saviour, the Lord Jesus Christ. What a joy it is to be able to say that! Susan and I finally made it to all fifty states since we started serving the Lord together in evangelism. In June I had the privilege to preach a revival meeting at Northstar Baptist Church in Fairbanks, Alaska and Susan spoke to the ladies. We put over eighteen hundred miles on a rental car in the fifteen days we were up there. Our "Last Frontier" excursion ended in Anchorage at Revelation Baptist Church where we had a great meeting and a twenty-year-old girl get saved!*

*Immediately upon returning from Alaska I had a regular check-up at the VA. They ordered x-rays of my right shoulder, which was injured in the same parachute jump that messed up my knee back in 1972. Upon examination of those x-rays, and a CT scan, the orthopedic surgeon scheduled a total shoulder replacement. It will be..... Wait for it..... **tomorrow morning!** The Dayton VA is definitely not the one where people are dying in the waiting room! There won't be much time to pray for the surgery, but I covet your prayers for the recovery. I cancelled 16-revival meetings in order to be available for rehab. The sooner I get through it the better.*

*The only revival meeting I didn't have to cancel was at First Bible Church in Staten Island, New York last week. We had a great time, as always, and 2 adults got saved! We left Staten Island yesterday afternoon in order get home to Dayton for the operation in the morning. I'll send an update soon as to how it went. Thank you in advance for your prayers.*

*Rejoicing to be in His Service,*

And our Saviour Jesus Christ...*
