For we are labourers together with God: ... I Cor 3:9

May 2023

Dear Praying Friends,

I wanted to give an update on my recovery from shoulder surgery. First of all, thank you for the prayers. God has been faithful to hear and answer your prayers on my behalf. As of today I am 4 weeks post-op and progressing well, according to both my surgeon and physical therapist. Praise the Lord for that!

I'm not used to this much down time, but Susan and I are both enjoying the extra opportunities to be with the grandkids as well as our home church family. I did preach a meeting in Wooster, OH last weekend that included a special prison service where 11 men made professions of faith in our Saviour!

However, this isn't my regular prayer letter. I have a special prayer request. I have an interview on Wednesday, May 24 with a representative of the Veteran's Administration Compensation and Benefit department. I am petitioning them for the injury I just had corrected be deemed "Service Connected" and qualify me for an increase in my disability status. This is my third joint replacement because of an injury incurred while on active duty a long time ago. I am praying for a 100% rating this time.

I'm not whining or complaining. Whatever the Lord does, I'm fine with. The Bible does tell us to pray for one another, so I'm asking. I know many folks have much bigger issues and needs than this, but I'm not going to preach on the importance of prayer and then fail to ask for prayer myself.

I know many of you will pray, and I thank you in advance.

Praying for His soon return,

*Brother Dave

And our Saviour Jesus Christ...*
