

Remember Calvary!

Evangelist Dave Spurgeon

October 2018

Dear Friends,

Greetings in the name of our Saviour, the Lord Jesus Christ. Thanks are in order to the many folks that prayed for me concerning the surprise shoulder replacement surgery I had in July. A CT scan revealed my rotator cuff was shredded in several places, hence the "reverse" joint replacement option. Surgery went well, and rehab has also gone well.

Between three months off the road at the beginning of the year for knee surgery and four more months staying close to home for this recovery, I realize I have not been still this long my entire adult life. It has been very interesting. Susan and I have kept busy. Susan has been able to spend more time with the grandkids than ever before. I have had some quality time spent with my Bible, as well as working on the sequel to Bikin' and Brotherhood: My Journey. The home we are glad we kept, has sure come in handy this year, and we finally had the time to show it some sorely needed TLC.

Susan and I have spent more time at our home church than we've been able to in the last twenty years. It is exciting to see what the Lord is doing there, adding new families as well as new students to the Bible Institute. Pastor Ireland is doing a great job. I am so glad we stuck it out to see the Lord move in our midst after a near-devastating split two years ago. Our new church building is well on its way to completion. We are looking forward to officially merging with Wellspring Baptist Church when it is finished

As stated in my previous letter, I had to cancel sixteen revival meetings between July and October. After taking two weeks off after surgery, I was able to schedule twelve Sunday services locally in order to work at least part-time. Praise the Lord! Several churches and individuals came to our rescue with financial help during this time. We can't thank them enough.

Susan and I were able to attend services in four revivals in the area, which was a blessing, but we are nearly ready to hit the road again. Our revival schedule picks back up at the end of October.

Rejoicing to be in His Service,
David and Susan Spurgeon
