For we are labourers together with God:... I Cor 3:9

October 2022

Luke 9:62 And Jesus said unto him,

No man, having put his hand to the plough, and looking back, is fit for the kingdom of God.

Dear Praying Friends,

Greetings in the name of our Lord and Saviour, Jesus Christ. I mentioned in the last letter that I expected the summer of 2022 to prove interesting and I was correct. I was referring specifically to fuel prices and cost of living challenges, but it has proven to be interesting in many other ways, as well.

Our newest grandchild, Lillian, was born in May with a condition known as MSUD. It is a rare, and extremely serious, amino acid deficiency /protein processing disorder. Many of you were contacted and asked to pray for her. I would like to thank everyone that did. Lillian is doing very well, although she requires constant monitoring of her protein levels, and it's a big deal. I am very pleased that her mom and dad are truly stepping up to the plate when it comes to making the sacrifices necessary to make sure her needs are met.

We had a great trip through upstate New York, New Hampshire, and Maine in July and August. Four people made professions of faith in Christ's sacrifice on Calvary for their sins. Praise the Lord for that. We visited several well established works and got in on some street preaching with them, and I also got to preach in three churches for the first time.

A motorcycle trip I took in September was interrupted in a very rural part of Nebraska when my rear wheel bearing went out. Long story short, The Lord worked nothing short of a miracle to get me patched up and home safely. He must have really wanted Rob, Marvin, and Phil to get a witness, because they surely did in the four hours we spent together in that little garage/bike shop literally in the middle of nowhere. I sent them each a copy of my book when I got home, along with my sincere thanks for going above and beyond to help me. Please pray for them to get saved.

Our journey west for the ministry was also plagued with a mechanical mishap that involved our motor home being towed sixty-three miles and the cancellation of several meetings. The Lord, as always, kept us safe and met all our needs. Currently I am writing this letter from southern California, deeply humbled that several pastors out here were willing to work with me through the last minute changes to salvage the remainder of our itinerary. Those changes included flights, hotels, rental cars, and worst of all, leaving Susan behind in Ohio until she joins me in a couple weeks. To be honest, the grandchildren did not appear to be even slightly dismayed at the prospect of grandma being around home a little while longer. I get it. I miss her already.

We are honoured to be in the Good Fight of Faith and know we couldn't do what we do without the prayers, and support, of you all. Thank you. Please pray for our equipment to hold together until the Lord comes back. We have no desire to go into debt to purchase a newer motor home.
