

Remember Calvary!

Evangelist Dave Spurgeon

Dear Friends,

Greetings in the name of our Saviour, the Lord Jesus Christ. I am in the process of applying for a Presidential Pardon for the felony I pled guilty to back in 1991. I have kicked the idea around for years and finally have the peace of God to proceed. Even if I get it, it won't compare to the pardon I got from the Lord when I asked Him to save my soul in the Montgomery County Jail many years ago.

Nevertheless, I have been asked to come to several foreign countries to preach, but my convicted felon status puts me at high-risk of being "denied entry," as it has in the past. A Presidential Pardon would go a long way toward removing that stumbling block.

I believe if I have a shot at a pardon, it will be with this President, and even then, only if the Lord sees fit to allow it. I fully accept His will on this, but either way anyone who comes in contact with my application will get the Gospel, as I clearly give the Lord Jesus Christ the credit for the change that has taken place in my life.

I am writing to ask whomever in your church that feels led to do so, to write a short letter to each of the two addresses below on my behalf. If the ministry the Lord has entrusted Susan and I with has been a blessing or encouragement to you in any way, you might make mention of something to that effect.

If you have any questions for me, please feel free to call / text at 937-974-4553 or email at dcspurgeon@yahoo.com. Last, and far from least, please pray about this for me, if you would.
